

Macdee Metro D Shape Siphon

Description:

The Macdee Metro D Shape Siphon is suitable for use in low level and closed coupled WC cisterns and is available in 2 sizes, 7½” & 9”. It is ideal for use in slimline cisterns. The Metro Rapid has an easy to remove upper section allowing easy maintenance / replacement without the need to remove the cistern. Flush volumes can be varied between 6/7/9 litres making it suitable for replacement installations. All siphons come complete with siphon backnut, coupling nut, sealing washer and low level flush pipe seal as standard.

Features:

- Made of PVC
- Can be Installed in Low Level & Closed Coupled WC Suites
- Water Saving
- Adjustable Flush Volumes
- Low Level Coupling & Washer Supplied
